

Parents of APS Students

With so much time and so little to do in the Summer months, we at APS have been searching for positive ways to keep students active both mentally and physically. Parents look no further and thank us later. We have been working toward developing and organizing a program that will allow your children to have time away from home while staying active and participating in activities in town, and around our community.

During the months of June and July we will be hosting our initial Summer activity program. The program will take place on Mondays and Wednesdays and will be broken into two sessions. There will be no program activity the week of July 2nd or 4th due to the holiday. The AM session will be open to students who are in 1st-4th grade and the PM session will be open to students in 5th-8th grade. These sessions will be LIMITED to 25 students per session.

The AM session will begin at 9:00 a.m. and will be done at 12:00 p.m.
Lunch will be provided.

The PM session will begin at 12:00 p.m. and will be done at 3:00 p.m.
Lunch will be provided.

For those that are curious, if you have completed 4th grade and are moving to the 5th grade, please plan to attend the PM sessions. If you have graduated from kindergarten and have not started 1st grade, but would like to participate, please make plans to attend the AM session. If you have completed your 8th grade year, do not worry, we want you present too, so show up.

The dates will not change, however, activities that are planned for each day are subject to change. Transportation will be provided to and from excursions we take and your child will not be required to bring any money to participate. For coordination purposes, please sign and submit this form by May 17, 2018. Forms may be returned to teachers, or to office staff in either building.

By signing and returning this form you are agreeing to allow your child to participate in all activities being offered through program. You are allowing your child in some instances to be transported to and from activities. If you have any questions, please do not hesitate to contact the office. If you are interested in volunteering, please indicate so on this form and we will get back in touch with you.

Yes, I am interested in allowing my child to attend the Summer program and will be present on June 4, 2018 for the first day and orientation.

Student Name & Grade: _____

Yes, I will volunteer to help

Name & Contact Information: _____
